NATURA

COMPOSIZIONE: 55% Canapa, 45% Cotone
GOMITOLO: ℮ 100 grs. - 225 mts.

Canapa e cotone si uniscono in un filato che ama il pianeta. La canapa, fresca e con un aspetto opaco e naturale, si mescola al cotone morbido e leggero, dall'allure brillante e vivace. Insieme, creano **Natura**, il filato ideale per capi creativi e originali, realizzati all'uncinetto e ai ferri, con intrecci armoniosi che l'ampia gamma di colori garantisce.
